

The Neumann Equipment Range of Commercial Fishing Winches are designed around the legendary Jaden Winches of the 1980's and 1990's.

The drive system combined with our updated winch design has been fully FEA engineered to withstand the high demands to suit the day to day stresses applied by the fishing industry.

Console Capstan Winches

Neumann Equipment Console Capstan Windlass Winches incorporate a centrally located control station with double sided capstan winch with control handles which are specifically designed to suit the Fishing Industry.

Neumann Equipment's Console Capstan Windlass Winches include the following standard specifications:

- Console fabricated from 316 stainless steel;
- Side panels bolt on for ease of access;
- Controls are sealed by moulded rubber boots;
- Mounting frame available upon request;
- Neumann Equipment marine protective coating, grey in color;
- Individually driven capstan option available;
- Heavy duty marine protective coating.

CONSOLE WINDLASS WINCH – SPECIFICATIONS	CWW1600H	CWW2500H
Line Pull (kg)	3,527 lb	5,500 lb
Hauling Speed (m/min)	0 – 65 ft/min	0 – 65 ft/min
